

SaskEnergy
Board of Directors

Ronald G. Barsi, P. Geo.
Saskatoon, Saskatchewan

Ron Barsi joined SaskEnergy's Board of Directors in 2016. He is also a member of the Governance and Social Responsibility Committee.

Ron, Professional Geoscientist, retired in 2017 from Golder Associates Limited based in Saskatoon, where he led a group of senior individuals working toward the sustainable development of Saskatchewan's mining industry, and had a variety of domestic and international mining clients.

Ron has a Bachelor of Science Degree from the University of Regina, along with education in Contaminant Hydrogeology from the Department of Earth Sciences at the University of Waterloo, and Engineering of Waste Management Systems from the Department of Civil Engineering from the University of Saskatchewan. He has spent more than 38 years working domestically and internationally as an integrated environmental risk management specialist, with the majority of his career associated with northern Saskatchewan's uranium industry. He also has experience with nuclear, potash, diamond, coal, gold and base metal mining clients in Australia, North America, Kyrgyzstan, Kazakhstan, Romania, Ukraine, Brazil, and Mexico.

Throughout his career, Ron has also served on a variety of boards, ranging from the Canadian Nuclear Association to the Law Society of Saskatchewan.
