1. OBJECTIVES

- 1.1 The Board of Directors function as stewards of the Corporation, and have statutory authority and an obligation to manage the affairs and business of the Corporation. In satisfaction of this obligation, the Board provides oversight while delegating to Management the responsibility for the day to day operations of the Corporation. The fundamental objective of the Board is to act in the best interests of the Corporation, taking into account the public policy and business objectives of the Corporation, with a view to enhancing shareholder value.

2. CONSTITUTION

- 2.1 The Board of Directors shall be comprised of not more than twelve (12) members, who shall be appointed by the Lieutenant Governor in Council. Each member of the Board shall hold office at pleasure for a period not exceeding five (5) years and until a successor is appointed. A member may be reappointed. Where a vacancy occurs at any time in the membership of the Board, it may be filled by the Lieutenant Governor in Council.
- 2.2 The Board shall develop position descriptions for the Chair of the Board, the Committee Chairs and individual directors which set out the duties, responsibilities and expectations of each position, and may make recommendations respecting the appropriate mix of skills, qualifications and expertise required for new directors pursuant to the Crown Investment Corporation policies, as well as recommend individual candidates to fill vacancies.
- 2.3 The Board must be comprised of a majority of directors who are independent. An independent director means a director who has no direct or indirect material relationship with the Corporation. A material relationship means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director's independent judgment. In making a determination regarding a director's independence, the Board will consider all relevant facts and circumstances, including the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and such other criteria as the Board may determine from time to time, in accordance with the Crown Investments Corporation's Director Code of Conduct. Directors are asked to provide the Governance and Social Responsibility Committee with full information regarding their business and other relationships with the Corporation and its affiliates, and senior management. Directors have an ongoing obligation to inform the Board of any material changes in their

- circumstances or relationships which may affect the Board's determination of their independence.
- 2.4 The Lieutenant Governor in Council shall designate one member of the Board as Chair of the Board and another member of the Board as Vice Chair of the Board. If the Board Chair is absent or unable to act or the office of the Chair is vacant, the Vice Chair shall perform all of the duties and may exercise all of the powers of the Chair. If both the Chair and the Vice Chair are absent, the Chair of the meeting shall be chosen by the remaining members of the Board. The Chair presiding at any meeting of the Board shall have a vote in all matters considered by the Board. In the event of a tie, the motion is defeated.
- 2.5 The Secretary to the Board of Directors, shall be an employee of the Crown Investments Corporation (CIC). If the Secretary is not present at any meeting of the Board, the Board may appoint an acting Secretary to perform the functions of the Secretary at that meeting, who need not necessarily be an employee of the Crown Investments Corporation.
