

SaskEnergy Executive Committee

Lori Christie
Vice President, Customer Services, Gas Supply & Rates
Regina, Saskatchewan

Lori began her SaskEnergy career in 2001, responsible for credit and natural gas market risk management within the Finance department. Prior to joining SaskEnergy, Lori was part of the Treasury team at Farm Credit Canada. She also brings many years of experience from the securities industry.

In 2003, she moved to the Gas Supply department and took a leadership role in SaskEnergy's commodity price risk management and its commodity rate process. As her responsibilities increased to include delivery service rates and applications, Lori served as Executive Director of Gas Supply & Rates. In Lori's role as Vice President of Customer Services, Gas Supply and Rates, she is responsible for the procurement of natural gas supply for customers, gas marketing activities and overseeing customer services for the Distribution Utility, as well as TransGas Customer Services and Policy, Rates & Regulations.

Lori is a Chartered Financial Analyst (CFA) and is a member of the CFA Society of Saskatchewan and the CFA Institute.
