

A Merry Christmas to All

As the season of giving began, SaskEnergy/TransGas employees were busy collecting donations and volunteering their time, as part of two amazing events: The St. Michael's Community School Santa Store and a Christmas Lunch. The festive volunteers wrapped presents for students of the school and hosted a Christmas lunch for the students and teachers. These events were completed with a special visit from Santa Claus himself.

Santa Claus poses with a happy student at the annual Christmas Lunch.

In the true spirit of Christmas, SaskEnergy/TransGas employees gave back to the Regina community this holiday season in a variety of ways. One group of volunteers gave their time to make the holiday memorable for students at a Regina school.

The St. Michael's Community School Santa Store took place at the school on December 17, 2010. Presents such as toys, games, gift packs and various other treasures were donated by SaskEnergy/TransGas employees. Students then had the opportunity to visit the Santa Store and "shop" for gifts for their loved ones. This event was a joy for the students as well as the volunteers who helped to make the day a huge success.

Santa's helpers, wrap presents for students to take home for their loved ones.

A delicious Christmas feast was prepared for the students and teachers of St. Michaels Community School on December 21st and held at the Regina Service Center. SaskEnergy/TransGas employees generously volunteered their time serving up the tantalizing meal while their guests enjoyed a Christmas movie classic, Home Alone. After lunch was served, the day was given an extra boost of Christmas cheer with the appearance of Santa and Mrs. Claus! Santa took turns listening to the Christmas wishes of each of the students while Mrs. Claus snapped pictures of all the merriment. For a number of years, these wonderful events are an integral part of SaskEnergy's charitable spirit and are looked forward to by employees each year.

Teachers and students of St. Michael's Community School enjoy a traditional and very tasty Christmas dinner.
