

## Wish Upon a Shooting (Junior) Star!

The 12 teams competing at Regina's Brandt Centre for the 2011 Ford World Men's Curling Championship won't be the only stars shining on the ice during the tournament. In addition to its role as Official Volunteer Sponsor for the event, SaskEnergy is proud to support the next generation of curlers through the SaskEnergy Junior Stars Contest.

The SaskEnergy Juniors Star Contest selects 24 lucky junior curlers from across Saskatchewan to act as honorary members of the competing teams during their round-robin games, set to take place between April 2 and April 7, 2011.
