

# Celebrating the 'Heart' of the Scotties Tournament

---

The 2015 Scotties Tournament of Hearts kicked-off on Friday, February 13th with a Volunteer Appreciation Banquet at Mosaic Place in Moose Jaw. This event was designed to celebrate the hard work and contributions that would be made during the upcoming tournament. It was also an opportunity for SaskEnergy to show its appreciation for the volunteers as the unofficial Champion of Volunteers.

Hundreds of volunteers showed up to the Volunteer Appreciation Banquet and were treated to a buffet dinner. The evening also featured thank you speeches from the tournament's Co-Chair Danielle Sicinski and Senior Vice President of Human Resources, Environment, and Corporate Affairs of SaskEnergy, Robert Haynes.

The final appreciation given to the volunteers was an opportunity to win one of almost sixty door prizes, with the top prize being an energy efficiency basket from SaskEnergy. Following the banquet the fan appreciation started with an introduction of the twelve participating Tournament of Hearts teams.
