

Count Your Savings

with Natural Gas Appliances

Home Heating

Furnace Fuel	60% Efficiency	80% Efficiency	90% Efficiency	95%-98% Efficiency	100% Efficiency
Natural Gas	\$693	\$520	\$462	\$454	
Fuel Oil	\$2,713	\$2,035	\$1,808	\$1,776	
Propane	\$2,095	\$1,572	\$1,397	\$1,369	
Electricity					\$2,611

Not all natural gas furnaces are the same. Choose an ENERGY STAR® certified furnace with a brushless DC motor for maximum savings.

Natural Gas Furnace	Natural Gas Cost Per Year	Electric Motor Cost Per Year	Total Annual Energy Cost	Approx. Annual Savings When Replacing a Standard Furnace
Standard (60%) Belt Driven Motor	\$693	\$474	\$1,167	
Mid-Efficiency (80%) Direct Drive Motor	\$520	\$395	\$915	\$252
High Efficiency (90%) Direct Drive Motor	\$462	\$395	\$857	\$310
High Efficiency (95-98%) Brushless DC Motor	\$454	\$105	\$559	\$598

Water Heating

Water Heater Average Use Per Year (based on family of 4)	Natural Gas Cost	Electric Cost	Propane Cost	Approx. Annual Savings
735 m ³ /yr	\$170	\$624	\$513	\$454

Based on Fuel Rates as of November 1, 2017

Natural Gas	\$0.2311 per m ³	Electric	\$0.1374 per kWh
Propane	\$0.4540 per litre	Fuel Oil	\$0.9090 per litre

Cost comparisons are based on average residential use

Barbecue

Barbecue	Average Use/Year	Natural Gas Cost	Propane Cost	Approx. Annual Savings
40,000 Btu	60 hours	\$15	\$47	\$32

Clothes Dryer

Clothes Dryer	Average Use/Year	Natural Gas Cost	Electric Cost	Approx. Annual Savings
20,000 Btu	200 hours	\$26	\$129	\$103

Cooking

Cooktop/Range	Average Use/Year	Natural Gas Cost	Electric Cost	Approx. Annual Savings
Cooktop	100 hours	\$11	\$51	\$40
Range	100 hours	\$16	\$73	\$57

Fireplace

Fireplace	Average Use/Year	Natural Gas Cost	Wood Cost	Approx. Annual Savings
20,000 Btu	100 hours	\$13	\$200	\$187
30,000 Btu	100 hours	\$19	\$200	\$181
40,000 Btu	100 hours	\$26	\$200	\$174

Heating Your Shop

Radiant Heaters	Average Use/Year	Natural Gas Cost	Electric Cost	Propane	Approx. Annual Savings
35,000 Btu	600 hours	\$132	\$678	\$408	\$546
80,000 Btu	600 hours	\$306	\$1,548	\$930	\$1,242

Indoor Comfort to Outdoor Living...

Whether it's a natural gas furnace, water heater or barbecue, natural gas appliances mean comfort for you and your family. Enjoy a fuel supply that's efficient, reliable and the better environmental choice.
