

High Efficiency Modulating 97%+ AFUE - Eligible Furnace List

Disclaimer: The Eligible Furnace List, developed by Natural Resources Canada, AHRI and Fortis BC, is only to be used as a guide for builders, developers, building owners, mechanical consultants and SaskEnergy Commercial & Residential Network Members. The list is not exhaustive and may be amended or modified at any time without notice. No representations or warranties are made by either Natural Resources Canada, Fortis BC, or SaskEnergy that the list contains all eligible furnaces. SaskEnergy reserves the right, in its sole discretion, to refuse any application made under the Commercial Space and Water Heating Rebate.

SaskEnergy makes no representations, warranties or guarantees regarding any of the furnaces or their purported efficiency ratings and does not endorse the use of any particular furnace.

Effective date: November 27, 2020
